

The StellarOne banking family eagerly looks forward to the creation of Virginia's newest and largest independent, commercial bank.

We would like to remind our customers of the critical need to protect your Personally Identifiable Information (PII). It is important to realize that Identity Thieves may try to abuse the exciting news regarding StellarOne.

**WE WILL NEVER REQUEST PERSONALLY IDENTIFIABLE INFORMATION ON OUR CUSTOMERS BY TELEPHONE OR EMAIL.**

In general, do not give out personal information on the phone, over the internet or through the mail unless you are absolutely sure you have confirmed that the company and the request are legitimate.

You can confirm a request to be legitimate by calling back the company on a telephone number you know to be accurate and current (411 is a solid resource).

When conducting business online use a secure browser; you can identify a secure browser by the presence of "https:" in the address bar and the presence of a padlock icon in the lower right hand corner.

Should you have any questions about StellarOne please contact our Client Service Center at 1-888-785-5271.
