## We support our local communities

StellarOne is dedicated to the economic and societal well-being of the customers and communities we serve. As one of the largest independent, commercial banks headquartered in Virginia, we continually support a variety of organizations through sponsorships, donations, and volunteer hours.

In 2009, StellarOne will support more than 300 organizations across the Commonwealth of Virginia with donation and sponsorship dollars. In addition, the employees of StellarOne will donate more than 5,500 volunteer hours to the communities where they live and work.

We recognize our civic responsibility and take pride in our efforts to support the communities that help us grow. Listed to the left are just a few of the many organizations that StellarOne supported in 2008!

StellarOne  
Excellence. Partnership. Service.

## Helping Youth Become Economically Empowered:

StellarOne not only financially supports many Junior Achievement organizations; it also encourages employees to volunteer in the classroom to teach work readiness, entrepreneurship, and financial literacy to young people.

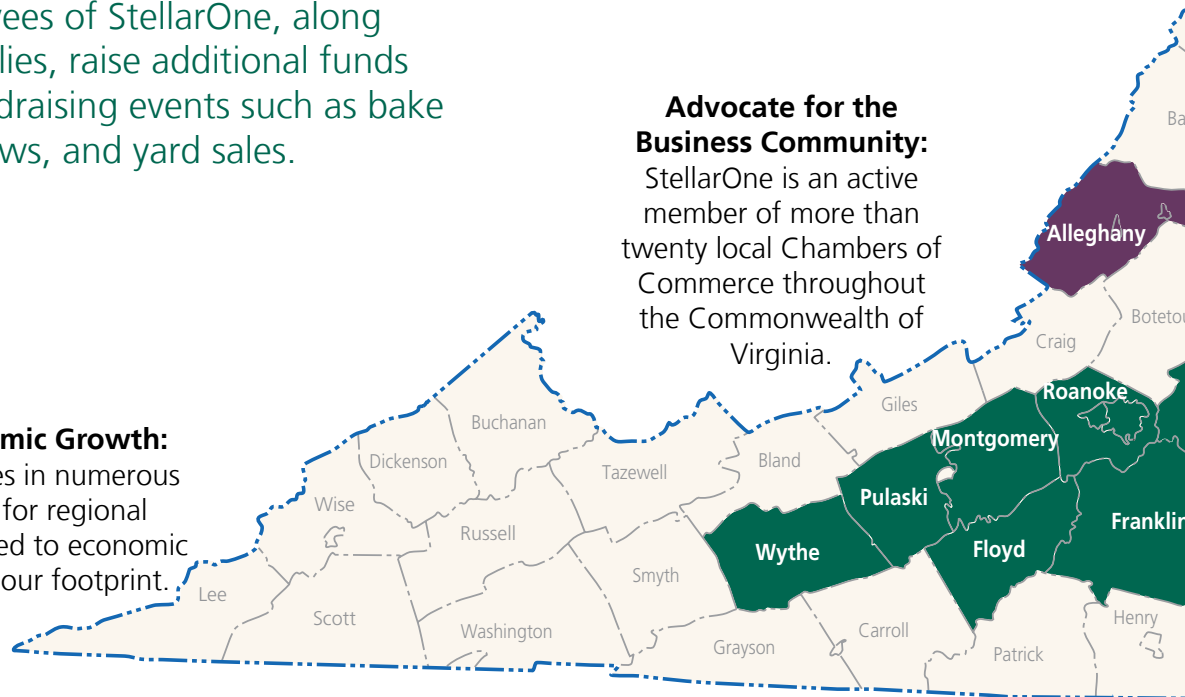

The western region of our footprint has championed the American Cancer Society's Relay for Life event as its flagship organization. Not only does StellarOne donate to more than nine Relay for Life events, employees of StellarOne, along with their families, raise additional funds by hosting fundraising events such as bake sales, craft shows, and yard sales.

## Advocate for the Business Community:

StellarOne is an active member of more than twenty local Chambers of Commerce throughout the Commonwealth of Virginia.

## Investing in Economic Growth:

StellarOne participates in numerous pledge campaigns for regional organizations dedicated to economic development across our footprint.

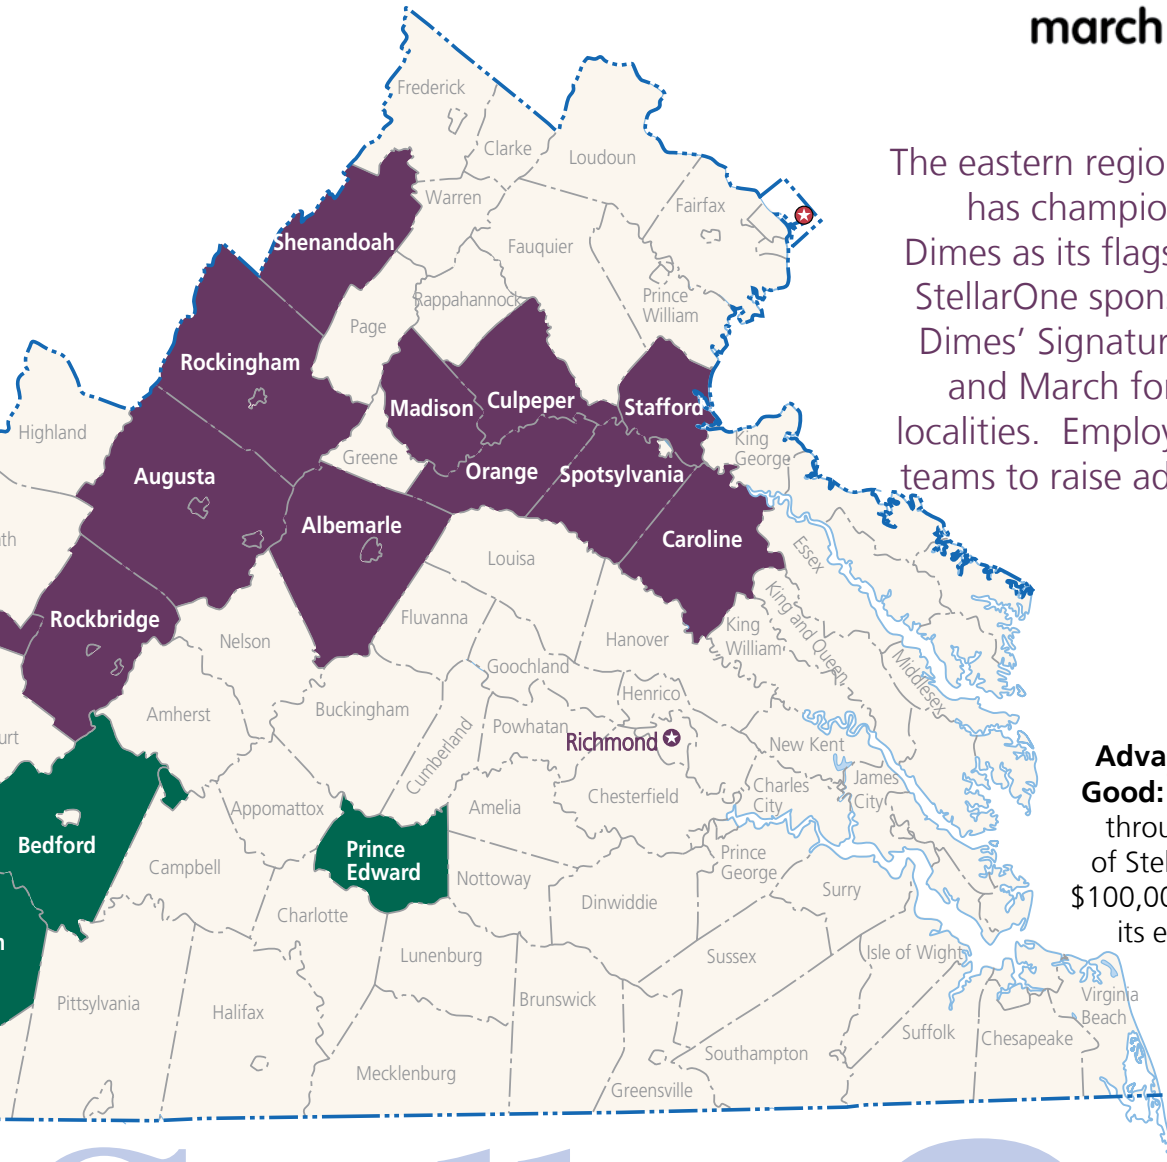

**Strong Kids. Strong Families. Strong Communities:** Since YMCAs are an important part of every community that StellarOne serves, we frequently donate to capital campaigns and sponsor events that support local Ys.

The eastern region of our footprint has championed the March of Dimes as its flagship organization. StellarOne sponsors the March of Dimes' Signature Chef's Auctions and March for Babies in several localities. Employees also serve on teams to raise additional funds for the organization.

**Advancing the Common Good:** Thirteen United Ways throughout the footprint of StellarOne receive nearly \$100,000 from StellarOne and its employees annually.
